Foreword

From those who have been inspired by the warmth and friendliness of Mitchell, comes the 1955 edition of the Circle. Although it is impossible to retain every single incident of the past, we have tried to include the trivial as well as important events experienced here at Mitchell. May you, both now and in later years, revel in its happy reminiscences and chuckle with glee when you see yourself in a picture—and remember.

IN MEMORIAM

MARY JEAN CARTER

Who made a lasting contribution to Mitchell College in her wholehearted and unfailing commitment to her responsibilities as accountant and secretary to the President.

S. C. A. RETREAT

SOFTBALL

On warm clear days the Physical Education classes take to the softball field. We're no experts but some are really handy with that bat.

FOOTBALL

In the fall the boys take to the football field. The play is just intra-mural.

VOLLEYBALL

Volleyball is one of the indoor activities we enjoy in Physical Education classes.

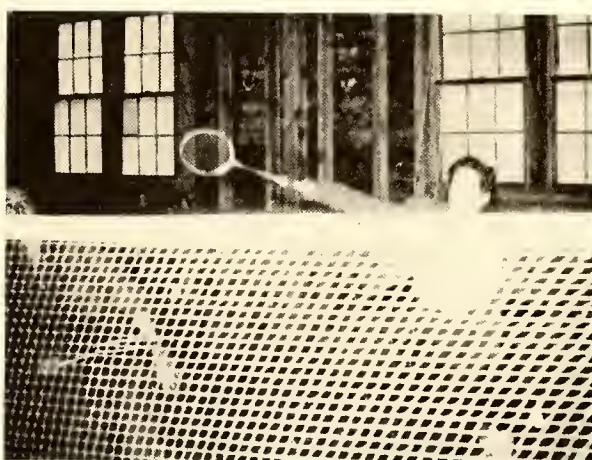

HORSE SHOE

Horse Shoe affords fun and exercise for many of our Physical Education classes.

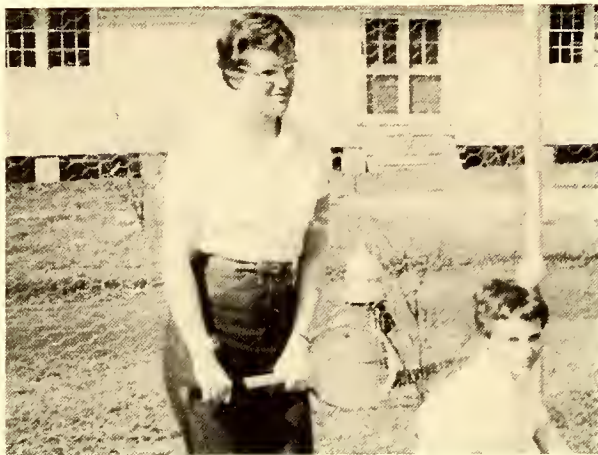

BADMINTON

Badminton has helped sharpen our eye-sight. You never know where that little birdie will land.

HIKING

When all other sports are worn out, we take to the road. Hiking is very invigorating and much fun.

TENNIS

Tennis is a wonderful way to relax from the more strenuous activities of study. Of course the weather must be warm and sunny.

CROQUET

Croquet is a less strenuous sport enjoyed by both boys and girls in our Physical Education classes when the weather is warm and the skies clear.

PING-PONG

At any hour of the day you can find some of Mitchell's ping-pong "sharks" engaged in a friendly game of ping-pong in the kit.

GOLF

Golf is another new sport. Our golfers aren't professional but they have gotten pretty good.

BOWLING

Among the new sports added to our Physical Education program this year is bowling. On alternate Fridays the Physical Education classes head for Mooresville for a session in better bowling.

SKATING

Skating has also been added to our program this year. Again for this sport we are Mooresville bound. This sport has helped much in toughening up the students, but, oh what it has done to the skating rink floor.
